A Great Place To Go Green
Town of Terry, Mississippi

*The Arboretum
has something for everyone
in every season!*

The Town of Terry Arboretum is an Eco-friendly outdoor attraction connecting people to nature for their education and enjoyment. It features gardens that showcase seasonal flowers, ornamental shrubs, trees and plant collections in a serene setting.

Terry received a \$50,000 grant to implement a beautification program. This grant was given to the Town by the Canadian Railroad along with America in Bloom and the Mississippi Urban Forest Council.

Several groups of volunteers that helped with this project include The Terry Historical and Preservation Committee, Terry High School National Honor Society, Terry Lions Club, Mt. Moriah Lodge #710, Terry Woman's Club, Terry High School Beta Club, Terry High School "Yellow Jackets" Alumni, The Friends of Terry and Terry Community Volunteers.

The Beautification Project included developing an Arboretum at the Town of Terry Park and the grounds at City Hall.

Also developed with the funds from the grant is a Butterfly Garden.
